

# SAFETY DATA SHEET

## Section 1: Product Identification

TRADE NAME: G&B Organics Composted Chicken Manure  
PRODUCT USE: Organic garden soil  
BUSINESS NAME: Kellogg Garden Products  
BUSINESS ADDRESS: 350 W Sepulveda Blvd., Carson, CA 90745  
BUSINESS PHONE: 800-232-2322

## Section 2: Hazard Identification

OVERVIEW: ➤ May irritate skin and eyes. If ingested may cause vomiting or diarrhea.

## Section 3: Composition/Information on Ingredients

| CHEMICAL NAME                        | COMMON NAME              | CAS# | IMPURITIES AND STABILIZING ADDITIVES | CONCENTRATION |
|--------------------------------------|--------------------------|------|--------------------------------------|---------------|
| N/A                                  | Recycled Forest Products | N/A  | None                                 | N/A*          |
| N/A                                  | Composted Chicken Manure | N/A  | None                                 | N/A*          |
| Ferrous Sulfate (FeSO <sub>4</sub> ) | Iron Sulfate             | N/A  | None                                 | N/A*          |

\*The exact percentage (concentration) of composition has been withheld as a trade secret.

## Section 4: First Aid Measures

| EXPOSURE     | SYMPTOM                                                                               | RECOMMENDATION                                       |
|--------------|---------------------------------------------------------------------------------------|------------------------------------------------------|
| Inhalation   | Potential mild irritation or breathing problems. An allergic reaction may also occur. | Move to fresh air                                    |
| Skin Contact | Potential mild irritation                                                             | Wash with water                                      |
| Eye Contact  | Potential mild irritation                                                             | Flush with plenty of water                           |
| Ingestion    | Stomach ache, acid or sour taste                                                      | Contact a physician if large quantities are ingested |

MEDICAL CONDITIONS: None known  
AGGRAVATED BY EXPOSURE:  
RECOMMENDATIONS TO PHYSICIANS: All treatments should be based on observed signs and symptoms of distress in the patient. Consideration should be given to the possibility that overexposure to materials other than this product may have occurred.

## Section 5: Fire-Fighting Measures

SUITABLE EXTINGUISHING MEDIA: Use fire extinguishing materials appropriate for surrounding fire including water spray (for cooling), dry extinguishing media, carbon dioxide, foam.  
UNSUITABLE EXTINGUISHING MEDIA: No known unsuitable extinguishing media

UNUSUAL FIRE AND  
EXPLOSION HAZARDS:  
HAZARDOUS  
COMBUSTION  
PRODUCTS:  
SPECIAL FIRE FIGHTING  
PROCEDURES:

This product has no unusual fire or explosion hazards.

This product has no hazardous combustion products.

Incipient fire responders should wear eye protection. Structural firefighters must wear Self-Contained Breathing Apparatus and full protective equipment. Isolate materials not yet involved in the fire and protect personnel. Move containers from fire area if this can be done without risk; otherwise, cool with carefully applied water spray. If possible, prevent runoff water from entering storm drains, bodies of water, or other environmentally sensitive areas.

## Section 6: Accidental Release Measures

PERSONAL  
PRECAUTIONS:  
EMERGENCY  
PRECAUTIONS  
ENVIRONMENTAL  
PRECAUTIONS  
CONTAINMENT/CLEAN-  
UP MEASURES:

Wear mask to avoid excessive dust inhalation.

None

Prevent from entering storm drains, bodies of water, or other environmentally sensitive areas.

Pickup material for reuse, recycling or disposal.

## Section 7: Handling and Storage

HANDLING:

Handle in accordance with good industrial hygiene and safety practices. Avoid breathing dust and wash hands after handling.

STORAGE:

Store in a dry area out of reach of children and animals. Whenever possible, store at temperatures less than 80°F. Maintain moisture levels at 30%-40% with water spray to prevent dust and possible fire hazard conditions.

INCOMPATIBLE  
MATERIALS OR IGNITION  
SOURCES:

None known.

## Section 8: Exposure Controls/Personal Protection

ENGINEERING  
MEASURES/CONTROLS  
PERSONAL PROTECTIVE  
EQUIPMENT:

Use local exhaust to control airborne dust. Handle in accordance with good industrial hygiene and safety practices.

RESPIRATORY:

Disposable-type dust masks are recommended if dusty conditions exist. Respiratory protection is generally not needed for normal handling.

EYE/FACE:

Protective eye wear is usually not required for normal use.

HANDS:

Avoid hand-to-mouth contact. Face and hands should be washed after handling this product.

SKIN:

Gardening gloves are suggested

## Section 9: Physical and Chemical Properties

| MATERIAL DESCRIPTION |             |                         |                                    |
|----------------------|-------------|-------------------------|------------------------------------|
| PHYSICAL FORM:       | Solid       | APPEARANCE/DESCRIPTION: | Finely divided, moist earthy solid |
| COLOR:               | Black/brown | ODOR:                   | Mild organic/earthy                |

## Section 10: Stability and Reactivity

|                                         |                         |
|-----------------------------------------|-------------------------|
| REACTIVITY:                             | Nonreactive             |
| CHEMICAL STABILITY:                     | Stable                  |
| POSSIBILITY OF<br>HAZARDOUS REACTIONS:  | Low                     |
| CONDITIONS TO AVOID:                    | None                    |
| INCOMPATIBLE<br>MATERIALS:              | Strong oxidizing agents |
| HAZARDOUS<br>DECOMPOSITION<br>PRODUCTS: | None                    |

## 11: Toxicological Information

|             |                  |
|-------------|------------------|
| TOXICOLOGY: | None established |
|-------------|------------------|

## 12: Ecological Information (non-mandatory)

|          |                  |
|----------|------------------|
| TOXICITY | None established |
|----------|------------------|

## 13: Disposal Considerations (non-mandatory)

|          |                                                                                                                                                          |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| DISPOSAL | Observe all federal, state and local environmental regulations when disposing of this material. Avoid contact with lakes, ponds and other waste sources. |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------|

## 14: Transport Information (non-mandatory)

|                      |               |
|----------------------|---------------|
| SHIPPING INFORMATION | Not regulated |
|----------------------|---------------|

## 15: Regulatory Information (non-mandatory)

|                             |                                                                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| HAZARDOUS<br>CLASSIFICATION | Safety, health and environmental regulations/legislation specific for the substance or mixture. Not classified as hazardous to users or for transport. |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
